Organisers of next month's Colour Me Active fun run have thrown down the challenge – sign up if you dare.

The Camp Quality fund-raiser will also support the Active Launceston and Launceston parkrun initiatives as part of its colourful, messy agenda and Active Launceston's Sharon King said they were hoping to see about 600 runners or walkers get splattered for a good cause.

Active Launceston co-ordinator Sharon King, Reach Out volunteer Nicole Dobber, Active Launceston information manager Hayden Fox and Active Launceston project manager Rachel Grantham get in some early practice for next month's Colour Me Active fun run.
